The event was open to all students, both club members and non-members, who had a keen interest in literature, current affairs, and the art of persuasive argumentation.

Key Features of the Debate Competition:

2. **Team Format:** Participants were organized into teams, consisting of two to three members. The team format allowed for collaborative discussions and the development of collective arguments.
3. **Moderation:** Each debate featured a moderator from the Literature Club who ensured fair play, maintained time limits, and encouraged a respectful and constructive exchange of ideas.
4. **Judging Panel:** A panel of experienced judges, including literature enthusiasts and public speaking experts, was selected to evaluate the debates. Their feedback and scoring were based on criteria such as content, delivery, and rebuttals.
5. **Rounds:** The competition included multiple rounds, including the preliminary, semi-final, and final rounds. Teams that performed exceptionally well in the preliminary rounds progressed to the subsequent stages.
6. **Prizes:** Prizes and certificates were awarded to the top-performing teams and individual speakers. These recognitions served to motivate and acknowledge the efforts of participants.
