Objective:

The objective of INNOVATOR is to deliver the importance and impact of Innovation to their startup. Also how to pitch an idea to the judges/investors.

Description:

The event started at 2:00 pm and proceeded until 4:00 pm in the seminar room. People attended the event and we had six ideas which were presented and mostly from 2nd yr as 1st \yr students are busy with their lab exams and the people who presented got to interact with the judges and got a chance to improve there ideas by correcting the approaches through the questions asked.

Outcome:

- Understanding how an idea pitching session works.
- Ability to make perfect pitch and idea.
- Correcting their idea approaches.

Overall, the goal of the innovator class is to equip students with the skills and knowledge they need to make their idea pitching perfect.
