### **Objective:**

To enhance coding skills and foster collaboration among participants through problem-solving challenges.

### **Description:**

Learnathon-3, organized by the Coding Club, aimed to provide participants with an immersive learning experience in coding. The event featured a series of coding challenges, workshops, and discussions on various programming languages and problem-solving techniques. Participants were encouraged to work in teams, exchange ideas, and explore innovative solutions to complex problems.

### **Outcome:**

Participants gained hands-on experience in coding, honed their problem-solving abilities, and expanded their knowledge of programming concepts. Through collaboration and peer learning, they developed practical skills that are essential in today's competitive tech industry. Additionally, participants formed lasting connections with like-minded individuals, fostering a supportive community within the coding club.

Learnathon-3 was a resounding success, providing a platform for aspiring coders to sharpen their skills and connect with peers who share a passion for programming. The event not only enriched participants' understanding of coding but also fostered a sense of camaraderie and collaboration within the Coding Club.
