### Objective:

To introduce participants to the art and techniques of filmmaking.

### Description:

The Film Making Club is hosting a workshop on filmmaking, covering various aspects such as scriptwriting, cinematography, editing, and production. Participants will learn about storytelling techniques, camera angles, lighting setups, and editing software.

### Outcomes:

Participants will gain a deeper understanding of the filmmaking process and acquire practical skills for creating their own films. They will be inspired to explore their creativity and express themselves through the medium of film.

The Film Making workshop provided participants with a comprehensive overview of the filmmaking process, from conceptualization to post-production. Through hands-on activities and expert guidance, attendees gained valuable insights into the art and craft of filmmaking, empowering them to pursue their passion for storytelling through film.
